

Northern Arch
LEARNING PARTNERSHIP

Scheme of Delegation

Autumn 2025

Overview

An 'academy trust' is a charitable company limited by guarantee and an independent legal entity. Its governance requirements are set out in the Articles of Association. The Trust's model of governance is designed to support the object, purpose, vision and values of the Trust and the needs identified by its academies, i.e. schools and colleges within the Trust.

Northern Arch Learning Partnership was established in April 2024 and the Trust Board is constituted under its Articles of Association.

Purpose of the Scheme of Delegation

The Scheme of Delegation details the delegation of governance functions to Northern Arch's Members, Trust Board, Board Committees, Local Governing Bodies, CEO and Headteachers/Principal, so that all are clear about their responsibilities. It complies with statutory documentation including the Trust's Articles of Association, Funding Agreement and the Academy Trust Handbook.

The Trust Board is able to delegate identified functions to a Committee of the Board. When decisions have been delegated, they must be reported back to the Trust Board at the next meeting. Where there is a specific need for a decision to be taken, and a time imperative precludes awaiting the next Trust Board meeting, action may be agreed with the Chair of the Board. This must be reported to the Trust Board at the next meeting.

The Trust Board is able to delegate identified functions to Local Governing Bodies. The Trust Board will often be reliant on information and advice from, and be guided by, Local Governing Bodies. The Trust Board considers that there is often a powerful case for local involvement in decision making. Where there is a shared responsibility for decision-making between the Trust Board and its academies, the Trust Board has the ultimate responsibility.

Amendment of the Scheme of Delegation

The Scheme of Delegation will be subject to formal review annually, however if the Trust Board deems it appropriate, changes will be made in year. The Trust Board has the absolute discretion to review, amend and/or terminate the Scheme at any time and as it sees fit (subject to complying with the legal requirements upon it), but welcomes comments on the operation of the Scheme from members of the LGBs, including Headteachers/Principal, where it is felt that revisions should be made.

Vision and Values

During the Summer Term 2024, Northern Arch carried out a consultation exercise which was initiated with an event for Members, Directors, Governors and senior colleagues. This was followed by a broader consultation by academy leaders, which included staff and students. As a result of the opinions and ideas gathered in this process, the following vision and values were developed:

Our Vision

To build a learning community that shapes young people's development into happy, productive, independent adults.

Our Shared Values

Whilst the character and individuality of each academy is celebrated within Northern Arch, we share collective values through our commitment to:

Aspiration

Inclusion

Collaboration

Empowerment

Governance Structure & Accountability

Summary of Roles within the Governance Structure

- **Members** do not have a legal responsibility for the Trust's operation, but oversee its operation and monitor its performance.
- **The Trust Board (Board of Directors)** has overarching responsibility for the operation and management of the Trust, and is legally accountable for all statutory functions and performance of all academies within the Trust.
- **LGBs and Committees** assist the Trust's operation. The Trust Board delegates powers and functions to the LGBs and its other Committees.

Role of Members

Members are the 'Guardians of Governance' and hold the Trust Board to account for the effective governance of the Trust. They ensure that the Trust's charitable objective, which can be summarised as 'advancing education for the public benefit', is being met.

Members are responsible for:

- amending the Memorandum and Articles of Association
- appointing Members and Directors
- appointing and removing auditors
- receiving the Annual Report and Accounts
- directing the Trust Board
- dissolving the Trust

Role of Directors (Trustees)

The Trust is a charitable company and therefore Directors are both Charity Trustees and Company Directors.

The Directors sit on the Trust Board, which has collective accountability and strategic responsibility for the Trust and the three core governance functions:

- strategic leadership
- strategic engagement
- accountability and assurance

The Trust Board also has strategic and statutory responsibility for:

- safeguarding and special educational needs and disabilities (SEND) arrangements within and across the Trust, ensuring the promotion of pupil welfare
- for keeping their estates safe and well-maintained

Directors:

- determine the vision and values for the Trust
- work with senior leaders to develop a strategy for achieving the vision
- ensure that stakeholders are involved, consulted and informed as appropriate
- ensure that all academies in the Trust deliver a broad and balanced curriculum, such that pupils are well

prepared for the next stage of their education and adult life

- take ownership of the Trust's financial sustainability and ensure effective resource management across the Trust
- ensure robust risk management procedures are in place and that risk control measures are appropriate and effective
- agree the Trust's staffing structure and keep it under review to ensure it supports delivery of the strategy
- appoint and appraise the CEO and make pay recommendations

Directors should also refer to the core duties and obligations set out in the Academy Trust Handbook.

Role of Trust Board Committees

To ensure the Trust operates effectively, the Trust Board has established Committees to carry out some of its governance functions. It has delegated responsibility for making certain decisions, although any decisions made will be deemed decisions of the Trust Board.

The Trust Board has established the following Committees:

- Finance, Audit & Risk Committee
- Standards Committee
- People & Environment Committee
- LGB Strategy Alignment Group
- Local Governing Body for each Academy

The membership and responsibilities of each Committee are set out in each Committee's Terms of Reference. The Trust Board will ensure that Committee members have the necessary skills, background and experience to properly fulfil the relevant Committee functions and will develop these where required.

Role of the Local Governing Bodies (LGBs)

Each academy is served by its own Local Governing Body. The membership of the LGBs and delegated authority is decided by the Trust Board.

Local Governing Bodies will:

- Serve as the key link between the academy, parents/carers and the local community
- Focus on key areas including safeguarding; special educational needs and disabilities; standards and stakeholder engagement
- Contribute, when required, to panels in order to:
 - hear staff grievances and disciplinary matters
 - review decisions to exclude pupils
 - deal with formal complaints in line with the trust's complaints procedure

Role of CEO

The Chief Executive Officer is an ex-officio Director and the Trust's Accounting Officer (responsibilities as outlined in the DfE Academy Trust Handbook).

The CEO:

- is responsible for day-to-day management of the Trust
- leads and manages the Trust Executive Team and the academy Headteachers/Principal
- reports to the Trust Board and its Committees
- can further delegate responsibilities to the executive team and academy Headteachers/Principal

Role of the Chair of the Trust Board

The Chair leads the Trust Board, with the support from the Vice Chair, to ensure it fulfils its functions. The Chair will ensure the Board focuses on strategy, while not overlooking compliance functions nor duties to staff.

The Chair is first among equals but has no defined individual power. The Trust Board is a corporate entity; the power and authority rests with the Trust Board as a whole, however the Chair may need to take Chair's action in an emergency, reporting such action to the Trust Board as soon as possible.

Role of the Headteachers/Principal

The Headteachers/Principal:

- Are responsible for the day-to-day leadership and management of the Trust's academies
- Share information with the LGB about how the academy operates to enable monitoring and scrutiny of key policies and improvement plans.

Scheme of Delegation Matrix Summary

The Scheme of Delegation Matrix clearly identifies the entity accountable for each of the governance functions listed.

The attached Policy Schedule lists the Trust's statutory and required policies, and identifies which are to be approved by the Board.
